NO. 4 89 155-78 32938 22
REV CLASS C REV COORD. 46 ORG CLASS 5
AUTH: HR 70-3

MEMORANDUM TO: CIA Management Officer

SUBJECT: T/O for Registry Section, Administrative Branch,
Staff III.

ATTACHMENT: (a) Proposed T/O for Registry Section, Admin. Branch,
Staff III.

25X9 1. As you know, the new T/O for OPC recently approved by the
Director did not provide any adjustment in the T/O for Registry Section.
The attachment to [] positions as compared with the currently
approved T/O of [] tions for the Registry Section, and represents
the current organization structure of the Registry Section.

2. The attachment is the result of several months' study and
is adequate to meet the current requirements, but may need to be
revised should current developments in the international situation
continue their present course.

3. Approval of attachment is recommended.
